

Reviewers and Editors Appreciation 2016

By Octavia A. Dobre, *Editor-in-Chief*

1 On behalf of the Editorial Board, I would like
2 to thank all our reviewers for their effort and
3 dedication. As has already become customary, at
4 the beginning of each year we recognize reviewers
5 for their sustained and outstanding review contri-
6 butions. The list of 2016 exemplary reviewers is
7 provided below.

8 This year, for the first time, we recognize our
9 editors for their outstanding service in terms of
10 timely decisions and constructive feedback pro-
11 vided to authors. Our exemplary editors represent
12 approximately 10% of the editorial team; their
13 names are listed below.

OCTAVIA A. DOBRE

14 Let us congratulate both reviewers and editors
15 for their exceptional service in 2016!

16 The high quality of the IEEE COMMUNICA-
17 TIONS LETTERS would not be possible without
18 the invaluable support of reviewers, editors and
19 authors. Thank you all for your great contributions
20 during 2016!

21 As we are beginning a New Year, I would like to
22 end this editorial note by wishing all our readers,
23 authors, reviewers and editors a happy, healthy,
24 and prosperous New Year!
