SWE SONG – UKELELE VERSION

Words by Henry Gardner,

to the tune of “Swing Low Sweet Chariot”, trad. arr. Katie Cole

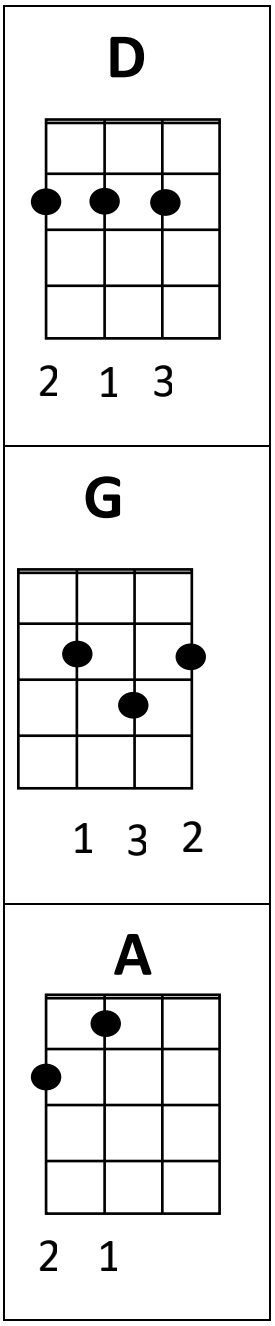
D G D
SWE song sweet agile process
D A
Scrumming for to carry me home
A D G D
SWE song sweet agile process
G A D
Scrumming for to carry me home

D G D
I went to the backlog and what did I see?
D A
Scrumming for to carry me home
D D G D
A whole lot of user stories waiting there for me.
G A D
Scrumming for to carry me home

D G D
SWE song sweet agile process
D A
Scrumming for to carry me home
A D G D
SWE song sweet agile process
G A D
Scrumming for to carry me home

D G D
I went to the scrum master; what did she say?
D A
Scrumming for to carry me home
D D G D
Wait until tomorrow, and that bug will go away!
G A D
Scrumming for to carry me home

D G D
SWE song sweet agile process
D A
Scrumming for to carry me home
A D G D
SWE song sweet agile process
G A D
Scrumming for to carry me home



SWE SONG – UKELELE VERSION

Words by Henry Gardner,

to the tune of “Swing Low Sweet Chariot”, trad. arr. Katie Cole

D *G* *D*
We did regression testing; what did we find?
D *A*
Scrumming for to carry me home
D *D* *G* *D*
Continuous integration left all my code behind!
G *A* *D*
Scrumming for to carry me home

D *G* *D*
SWE song sweet agile process
D *A*
Scrumming for to carry me home
A *D* *G* *D*
SWE song sweet agile process
G *A* *D*
Scrumming for to carry me home
G *A* *D A D*
Scrumming for to carry me home
